WELCOME TO ST. MAARTEN

St. Maarten is the smallest land mass in the world to be divided between two governments. It's dual owners, Dutch & the French, who have shared the tiny and paradisiacal island more or less peacefully for almost 350 years. This understated absence of conflict testifies to one of the island's most precious and attractive characteristics - its unusual serenity.

Gangways are located on Deck 1, Forward please proceed along Deck 3 and then down to Deck 1.
For security reasons, we cannot accept any deliveries to the ship by shoreside merchants. This includes liquor & tobacco.
