

PRINCESS PATTTER

A daily guide to cruise activities 

WHITTIER • SATURDAY, SEPTEMBER 9, 2006 • DIAMOND PRINCESS

Sunrise: 7:10am Sunset: 8:35pm • Tonight's dress: Smart Casual

Welcome Aboard!

Our Master, Captain Tony Yeomans, was born in Derby, England. He joined Trident Tankers, a subsidiary of P&O, in 1967 as a Cadet and transferred to the Passenger Division in 1971. He obtained his Masters Certificate in 1977.

Captain Yeomans has served on many ships of the P&O/Princess fleet, starting with the Orsova, which was followed by the Himalaya, Arcadia, Canberra, Victoria and the original Sun Princess. He has been in command of the Pacific Princess, Royal Princess, Dawn Princess, Sea Princess, Star Princess, Diamond Princess, Golden Princess and Sapphire Princess.

He still lives in Derby with his wife Debbie, who he met on the Pacific Princess in 1991 when she was the Social Hostess, and their daughter Natasha and son Oliver. When the family allows, his favourite pastime is golf.

Diamond Princess Dining Options

US DEPARTMENT OF STATE TRAVEL ADVISORIES

Latest copies of US Department of State Travel Advisories are available by request at the Purser's Desk. Current travel advisories are also available via the internet from the Business Center using the following web site address: http://travel.state.gov/travel_warnings.html

STATEROOM SAFETY NOTICE

As your safety is our prime concern, we would like to remind you of some important precautions you must take while in your stateroom or on your balcony:

- Never use lighted candles, naked flames or any other burning material either in your stateroom or on your balcony.
- If you smoke, please use the ashtrays provided for your stateroom or balcony and ensure your cigarette is fully extinguished. Please do not smoke in bed or throw any cigars or cigarettes over the ship's side.
- Heated electrical items (such as a curling iron) used in your stateroom should not be left plugged in and unattended. When finished with the item, please ensure it is immediately unplugged.
- The use of irons and non thermostatically controlled Water Heaters is strictly prohibited.
- Do not hang clothing out on the balcony or leave personal items unattended on the balcony. Before retiring for the evening please bring all personal items inside.
- Do not place any items on top of the light fittings.

KEEP IN TOUCH WITH RENTAL VHF RADIOS

Stay in contact with children and travelling companions during the cruise, by renting VHF radios from the Passengers Services Desk. These sets are simple to operate and available for just \$4.00 per unit per day.

VISIT OUR 24 HOUR INTERNET CENTER

Diamond Princess makes use of a sophisticated satellite connection between the ship and satellites in orbit to establish an Internet connection.

The ship's location, positional heading and weather conditions may affect the speed and continuity of our connection.

The Internet Café is a self-service facility, but an Internet Assistant will be available between 5:00pm and 6:00pm on Port Days and between 9:00am and 6:00pm on Sea Days to answer basic questions about the Internet Café and Wireless service onboard. At other times, please contact the Passenger Services Desk on Deck 6 for more information.

The charge for using the Internet is US\$0.35 per minute and is charged to your shipboard account. 30 minute Wireless vouchers can be purchased from the Passenger Services Desk on Deck 6 at US\$10.50 per voucher.

For the safety and security of our onboard computer systems, the connection of external devices, the use of removable media and the download of applications/attachments has been disabled on all Internet Café terminals. This can only be achieved by using your own computer connected through our onboard Wireless service in the Internet Café and Atrium or from an Internet Café ashore. Maritime satellite systems do not support broadband internet speed. Please see the chart in the Internet Café to compare the onboard connection speed with your land based internet service.

DRESS CODES

During the day, sportswear and casual clothes are suggested.

Guidelines for wear from 5:30pm and throughout the evening are:

Formal: A dinner jacket or dark business suit for gentlemen and a full length evening gown, cocktail dress or trouser suit for ladies.

Smart Casual: An open-neck shirt and slacks for gentlemen and a dress, skirt and blouse or trouser suit outfit for ladies. *Shorts and T-Shirts are not Permitted in the Dining Rooms.*
